In January, 2008 Nancy offered her expertise to a group of 4-H members who are in a GIS Historical Mapping project. It was a small group, but that didn't stop Nancy from being a delightful host. She shared her knowledge, wit, and paranormal investigation equipment with the 4-H youth members and adult volunteers.

"Some people love me; and some people hate me. Those that hate me do so because I come from a place that cuts to their core, and they are frightened. Some people also do not like the truth." *Nancy Bradley-The World According to Nancy.*
